Think Local, Give Local

Dear Alfie

Thank you so much for the generous donation, a receipt is enclosed for your records, which will be added to our 'Vital for Berkshire – Coronavirus Appeal'.

The Coronavirus outbreak has affected our communities and the many small, local charities and community groups dealing with the impact on their beneficiaries and the communities in which they live and work. The funds raised by the appeal continue to target help to those most affected in Berkshire.

Over the months we have been inundated with requests for support for so many needs such as support for the elderly, young carers, people with disabilities, people whose mental health is severely affected by isolating and vulnerable families at risk of domestic violence. So we are extremely grateful for your support and the positive impact it will have on the people we continue to help.

Thank you again for your generous donation. If you would like to know more about what we are doing or have any questions about our work please contact me using the details below.

Yours sincerely

Jon Yates
